WOMENS CAMP | AGES 21+ July 6-8

This session will focus on building intentional relationships while having moments to rest, explore, and have fun! This program is for women of all walks in life: younger or older, first time to camp or 100th. There's an added bonus if you have little ones aged 5 to 10 - they can attend Mini Camp at the same time, and you'll be right next door! Meals will happen in the same space, so you'll get to peek in on the joy of camp while having your own camp experience.

"YOUNG" ADULT CAMP | AGES 21-30 July 26-30

We always hear "I wish I could come back to Camp" — now you can! Join our Young Adult Camp program to experience the fun, connection, transformation, and newness that makes camp so special. We will have traditional camp activities like Nuke'em, arts and crafts, zip line, archery, solving mysteries, and more. We will also offer off-camp excursions, hikes, yoga, and other special activities! Come back to Camp as an adult, or come away to camp for the first time!

Camp Washington

has been nurturing exploration and transformation for over 100 years! Established in 1917, Camp Washington's beautiful 300 acre campus in the Litchfield Hills welcomes people of all faith traditions to find God in nature, to relax and learn, to have fun and make life long friends! Camp Washington is the official camp and retreat center of the Episcopal Church in Connecticut. We strive to create a community where children and staff, through teamwork, individual exploration and spiritual formation can grow closer to God. At Camp Washington we promote the enjoyment of nature through education and creativity, the strength of a community based on both togetherness and independence, and the ability to enable each person towards the recognition of their responsibility as stewards of God's creation.
