AT
CAMP WASHINGTON
2022**

*All applicants are subject to a criminal background and reference check

Camp Washington is open to all people regardless of race, religious creed, sex, age, national origin or physical abilities. Our outdoor ministry is dedicated to providing an opportunity for individuals to come to know God's grace through the experience of a loving and committed community and to share that experience to make God known. We believe that all who experience our program should have the opportunity to grow spiritually, emotionally, socially and physically and return home refreshed and renewed.

The Counselor-in-Training (CIT) program is designed to give aspiring staff an overall experience of what it means to work with children and youth in a camp environment, and to develop leadership roles above and beyond the camp setting. Combining leadership skills, life skills, hands on experience, and service projects- The CIT program is a wonderful opportunity for youth to explore the transition from camper to counselor.

Maureen Haas was a beloved member of the Camp Washington community as a camper and staff member in her youth, and later as the Christian Formation Coordinator for many years. In her time at Camp Washington, it was always a priority of Maureen's to be a source of support to the many campers and staff whom she encountered on a daily basis. Maureen especially cared about the development of youth who would potentially become the leaders of the Camp Washington community, and cared deeply for the Counselors-in-Training. As such, a scholarship fund set up in her name has been designated as a means to help subsidize the hands-on education our Counselors-In-Training will receive.
