

Camp Washington

has been nurturing exploration and transformation for over 100 years! Established in 1917, Camp Washington's beautiful 300 acre campus in the Litchfield Hills welcomes people of all faith traditions to find God in nature, to relax and learn, to have fun and make life long friends! Camp Washington is the official camp and retreat center of the Episcopal Church in Connecticut. We strive to create a community where children and staff, through teamwork, individual exploration and worship, can grow closer to God. At Camp Washington we promote the enjoyment of nature through education and creativity, the strength of a community based on both togetherness and independence, and the ability to enable each person towards the recognition of their responsibility as stewards of God's creation.
